MONACO AND BALI UNIT COMPLETIONS TO COMMENCE Q1 2021

Following more than 3 months of no construction works due to pandemic-triggered lockdowns, the unit completions for Monaco and Bali Towers at the Residences at Azure North will commence in the first quarter of 2021. Unit turnover will also start in the first quarter of next year.

Architectural works for Monaco and Bali, the first and second towers, respectively, are in progress from the ground to the 29th floor, including masonry, drywall partitioning and ceiling works, tiling and water proofing, painting, and windows and doors works. Mechanical, Electrical, Plumbing, Fire Protection & Sanitary (MEPFS) works are ongoing as are the installation of service and passenger elevators for Monaco tower.

Land development and STP works are in full swing and will be completed in the fourth quarter of 2020 and first quarter of 2021, respectively. The construction and installation of the back of house area, electric lamp posts, entrance feature, and several Azure North amenities, including the clubhouse and wave pool, will begin in the fourth quarter of 2020 and will be delivered in phases starting the third quarter of 2021.
